ADD TO THE ARCHIVE

Give your contribution a title

Describe your contribution

Around 100 to 200 words. What it is, where it came from, and why it matters to you.

Who is the creator or copyright holder?

For example, who took the photograph or designed the flyer. Leave it blank if you do not know.

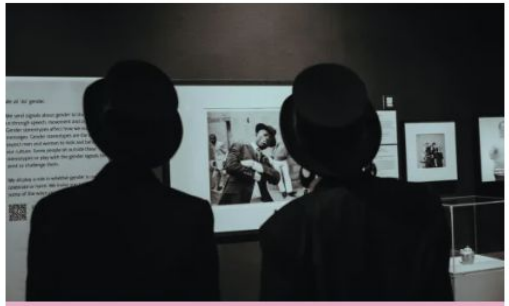
Upload one piece of media

Choose file No file chosen

One file: a photograph, a scan, a PDF, or an audio or video recording, up to 50MB. If you have more than one thing to send, please email us.

Associated date or dates

For example, the date the photograph was taken. A year, or roughly which decade, is plenty.



KEEP YOUR STUFF

Contributing does not mean giving anything away. Our archive is digital, so a scan or a photograph is all we need, and the original stays with you.

If you would rather not scan it yourself, email us and we can help.

Handwritten Notes From The Dyke Collective Manifesto Writing Workshop

Handwritten Notes From The Dyke Collective Manifesto Writing Workshop

DESCRIPTION

These are handwritten notes taken during The Brighton Dyke Collective manifesto writing workshop, ran by the research group Exploding Appendix, in March 2024. In this workshop Dykes were encouraged to ask what they wanted from their manifesto, what they wanted to say and achieve in their work, and how best to mobilise dykes in their city. These notes explore the role of thinking about utopia, rage, community, queerness and other topics when it comes to creating their manifesto.
